## SUMMARY

I am well-suited for the software developer role due to my strong foundation in data structures and algorithms, allowing me to develop efficient and optimized solutions. My expertise in web development, including HTML, CSS, and JavaScript, enables me to create responsive and user-friendly interfaces. With a passion for innovation and a commitment to excellence, I am eager to leverage my skills to drive your organization to new heights and contribute meaningfully to its success.

## SKILLS

|            |            |                 |     |     |       |
|------------|------------|-----------------|-----|-----|-------|
| HTML       | CSS        | C++             | DSA | SQL | REACT |
| JAVASCRIPT | Javascript | Web Development |     |     |       |

## EXPERIENCE

### Web Developer Intern

#### Animart Enterprises

📅 06/2024 - 08/2024 📍 Remote

Animart is a dynamic startup transforming the clothing merchandise space with unique, trendy designs. The brand blends creativity with quality, offering exclusive apparel that resonates with modern fashion enthusiasts. From eye-catching prints to stylish cuts, Animart provides a fresh approach to fashion, making each piece a statement of individuality and style.

- As a key contributor, I played a pivotal role in blending creativity with quality, resulting in exclusive apparel that resonates with modern fashion enthusiasts. My efforts led to the development of standout pieces featuring eye-catching prints and stylish cuts, establishing Animart's fresh approach to fashion and making each item a statement of individuality and style.

## STRENGTHS

### Problem solving SKILLS

Known for excellent and quick problem solving wit

### Technical Proficiency

Expertise in relevant programming languages and tools.

### Communication Skills

Reliably communicates technical concepts to non-technical stakeholders.

### Time Management

Efficiently balancing multiple tasks and meeting deadlines.

## EDUCATION

### High School |CBSE|90%

#### Madhav Rao Scindia Public School

📅 2018 - 2019

### Intermediate|CBSE|87.40%

#### Madhav Rao Scindia Public School

📅 2020 - 2021

### Btech CSE

#### Graphic Era University

📅 Present

## PROJECTS

### Gym Responsive App

📅 07/2024 - 07/2024 📍 Remote

I developed a responsive gym app designed to enhance user experience across all devices. Built with a combination of HTML, CSS, and JavaScript.

- The successful outcome of my work on the responsive gym app was a significant enhancement in user engagement and satisfaction. The app's seamless performance across devices led to increased user retention, with more users consistently accessing workout plans and tracking their progress

### Code Editor

📅 07/2024 - 07/2024 📍 Remote

I developed a versatile code editor that supports multiple programming languages.

- The successful result of my work on the responsive gym app was a substantial improvement in user engagement and satisfaction.

## KEY ACHIEVEMENTS

### Optimized Web Performance

Improved website performance

### UDEMY Course

Course in Web Development

### Participated in Sports Club

Bagged different positions in games like Tug-of-war and chess.
